Texas Field Archery NEWSLETTER

Note From the President

Shoot Your Way Across Texas is Just Three Weeks Away!

It's time to get ready for another great indoor SYWAT season. The 2026-2027 season kicks off the weekend of October 23-25, with five shoot locations across the state.

This looks to be one of the best seasons ever. Thirty-six different shops/venues are hosting this season and between them there are 80 different shoot weekends scheduled. Most hold four shoots each weekend so there are more than 300 different opportunities to hone your skills and post your best SYWAT scores ever.

In addition, the NFAA Southern Indoor Sectionals will be held January 16-17, 2027 at multiple locations across Texas, Louisiana, and Oklahoma. This is a great opportunity to show that Texas has the best archers in the Southern Region!

Our indoor season will culminate March 5-7, 2027, with our State Championship at Cinnamon Creek Ranch in Roanoke, Texas.

Unfortunately, due to rising costs, we are raising prices for these events for the first time in nearly 20 years. Adults - $30; Youth Divisions - $25; Family Max. - $75.

Thanks to our Field Governors for their hard work putting this schedule together. Please tell them thanks when you see them at the range. And thank the shoot locations for their support by hosting our events!

Note from the Tournament Director:

We have concluded our 2026 Outdoor Season with a successful TFAA 900 Round & Known 3D Championships this past September 19 & 20, 2026.

Many thanks go out to all of the Cinnamon Creek Ranch Volunteers that assisted in setting up, running and tearing down both both events courses. Of particular accomplishment are the 24 Archers setting new records or establishing a divison/style record.

Congratulations to:

Our Indoor SYWAT (Shoot Your Way Across Texas) Season begins October 24, 2026 and runs to February 28th, 2027, concluding with the **State Indoor Championship scheduled for March 5,6 & 7, 2027 at Cinnamon Creek Ranch** in Roanoke, TX.

The Indoor Schedule is posted on the TFAA Web site at:
https://texasfieldarchery.org/schedule
In the Season drop down box, Click on the "2026-2027 Indoor"

As of this writing so far we have **35 Shops/Clubs hosting 78 SYWAT** Tourney's this year, so once again we will have excellent opportunities to participate all across the State! Plus, we have a couple more in the works, so check in often as the schedule will adjust.

Note from the Tournament Director:

SYWAT AWARDS

If you are not aware, each individual SYWAT event is its own tournament.

Winners for 1st, 2nd and 3rd place are recorded for individual award purposes.

Individual awards will be created and made available for pick-up at the TFAA State Indoor Championship.

The individual award is a single award listing the location and place for each SYWAT where the individual placed either 1st, 2nd or 3rd in three (3) or more separate SYWAT's (for all Youth Classes) and in four (4) or more events (for all Adult Classes) in order to qualify and receive an Award.

As normal, the last weekend before the State Tournament **is not included** for qualification in order to get awards created in time for deliver to the State Tournament.

However, the last weekend SYWAT **is included** for eligibility for the Indoor "Aggregate High Score Award".

We will have an exciting new Award for this event this year and we will disclose in the November TFAN issue.
Stay tuned for more....

Any Q's about any TFAA Tourney activity, please reach out and let our team of volunteers assist.

Thanks much and enjoy the Journey!

Note from the Chairman of the Scholarship Committee:

TFAA Scholarship Fund News

On July 14, 2026, Texas Field Archery Association lost our friend Steve Goode in an airplane accident. I met Steve, first as an archer, and got to know him better when he served as the TFAA District 7 Field Governor and for three years on the TFAA Scholarship Committee. He was a was good man.

At his Celebration of Life, the family requested donations to the TFAA Scholarship Fund. More than $5,000 was donated. In addition, recently Steve's wife DeAnna, and sons Samuel, Matthew and Jonathan have said they wish to fund an additional $2, 500 TFAA Scholarship each year in the future.

Commencing 2018, TFAA has awarded scholarships to deserving young men and women who have demonstrated academic, community and archery success**. Each year TFAA awards one scholarship to a high school senior in the amount of $5,000. The winners are announced each year at the TFAA State Indoor Championships. TFAA will continue to award that scholarship, and in honor of Steve Goode, a second scholarship in the amount of $2,500 will be awarded. TFAA hereby again says thank you to Steve Goode's family.**

One of my favorite Bible verses is **Romans 8:28: And we know that is all things God works for the good of those who love him.** Although it is hard to understand why Steve was called home to heaven at this time some good has come to TFAA by this sad turn of events.

Donations can be made here: link here for Zelle or mailed to Anna Hanson, TFAA Secretary/Treasurer, 722 Cannon Ball Dr., Spring, TX 77380.

Please direct any questions concerning the TFAA Scholarship Fund, to myself by email 24sbergh@gmail.com or by text 714-788-8826. Thank you for prayerfully considering to support the TFAA Scholarship Fund.

Note from the Bowhunter Director:

On behalf of the Texas bowhunters, thank you to Cinnamon Creek Ranch for hosting the 3-D and 900 Round State Championships. The 3-D course was set up to help with the upcoming archery season, and we truly appreciate the time, effort, and care that went into making it a great experience.

Getting ready for archery season at the last minute is mainly about
(1) confirming your equipment is safe and functional
(2) verifying your hunt plan, and
(3) tightening up the details that usually get missed when time is short.

Here's a practical last-minute checklist you can run quickly so you're not scrambling in camp.

- Review your tag/license/season dates (and any youth/area restrictions)
- Decide your safety plan: who you'll text/check-in with, and when
- Map a backup entry/exit route in case conditions change (mud, closed access, etc.)
- Inspect strings/cables for fraying, fuzzing, or loose servings
- All the verify screws are tight (sight, rest, stabilizer, quiver, etc.)
- Shoot a short verification session (even 10–30 minutes) using your hunting form confirming your actual pin(s)/range marks with the sight you'll use that day
- Pre-pack a "fix kit"
  - Allen keys, spare nocks, tape, zip ties, headlamp batteries, spare blades (knife),and a wrench/tool sized for your broadheads
- Plan your arrival times with daylight and movement in mind
- Decide on wind strategy (upwind of bedding/water; avoid crosswind)
- Choose your first-choice stand/spot and one alternate you can reach quickly
- Quick functional checks: light, knife, release, arrow count
- Eat/drink, confirm wind direction, and finalize which route/stand/spot you're using

Enjoy your time in the woods making memories.

ATTENTION Parents OF YOUTH ARCHERS

Please note that NFAA/TFAA rules state that an archer moves up to a higher age division on their birthday. This means that if your child has a birthday between now and the start of our State Championship Tournament, they must compete in the higher age division for the remainder of the SYWAT season and in the state tournament. In anticipation of this, you are allowed to move your child up in age division during or at the start of the SYWAT season. Once an archer moves up in age division, they must remain in that division. Please direct any questions to your Field Governor or email info@texasfieldarchery.org

Division	Age Range	Indoor Distance	Outdoor Max Distance
Cub	8 - 11	10 Yards	30 Yards

ABOUT SHOOT YOUR WAY ACROSS TEXAS

This is a statewide "league" with multiple indoor tournaments held throughout the season. Any archer can compete, but you must be an NFAA/TFAA Member to be eligible for the SYWAT Aggregate/Tour Champion award. NFAA divisions and shooting styles will be in effect.

TOURNAMENT FORMAT

The indoor SYWAT format is the NFAA standard "300 Round," shot at 10 yards for cubs and 20 yards for all other age classes. Archers shoot 12 ends of 5 arrows each for a total of 60 arrows.

TARGETS

Targets are rotated between the top and bottom after the 6th end. Targets are the archer's choice of the NFAA 40 cm (blue) single spot, or the NFAA 5 spot.

40 cm (Blue) Single Spot

5 Spot

SCORING

On the 40 cm target the score is 5-4-3-2-1. Xs score 5 and are counted as a tiebreaker. The 5-spot target is scored 5-4. Xs score as 5 and are counted as a tiebreaker.

SHOOT YOUR WAY ACROSS TEXAS

A Note About Line Etiquette

When at an archery tournament, there are a few important rules of etiquette. These rules are based on safety, courtesy, and good sportsmanship.

1. Be ready when your line is called, then **walk** to the shooting line.
2. Know and obey all range commands.
3. **Never** nock, draw, or release an arrow when someone is downrange.
4. Be careful not to bump the archers in front or behind you while approaching/leaving the line, or while shooting.
5. Make sure all of your equipment fits in your lane and does not interfere with the archers on either side of you.
6. Never talk to another archer, or to yourself while on the shooting line.
7. Never talk to anyone behind the line while you are on the shooting line.
8. If the archer on either side of you is going to full draw, or at full draw, wait quietly in place until they have shot before leaving the line.
9. Leave the line quietly and carefully.
10. After leaving the line, move away from the shooting line, rack your bow and wait far enough behind the shooting line so you won't disturb those still shooting.
11. If an archer near you is the last person still shooting, quietly remain on the line with them for support. This is a polite and appreciated gesture.
