Note From the President

Attention Graduating Seniors! TFAA Scholarship Applications Now Open

This year marks the ninth year TFAA will awarded a scholarship to a graduating senior. The **Charles Yardley Memorial Scholarship** was established in 2018 and we have given a $5,000 award each of these past years. This scholarship is funded from TFAA event fees and we are also working towards establishing a sustaining fund of $100,000+ to allow us to provide additional awards in the future.

Additionally, the **Steve Goode Memorial Scholarship** has been established by his family in recognition of his dedication to youth development and the sport of archery. This $2,500 scholarship will be awarded annually in his memory. Steve was a teacher and mentor to younger archers, serving as archery coach for the Van Zandt County 4H organization. Steve was District 7 Field Governor and TFAA Board member. He also served on the TFAA Scholarship Committee and was Chairman in 2026.

Applications for these scholarships are now being accepted with applications received NLT January 31, 2027.

Basic Scholarship Requirements Open to Current High School Seniors:

- Applicants must have been a TFAA member for a minimum of 2 consecutive years at the time of application.
- Applicants must demonstrate merit through academic achievements, leadership, campus/community activities, and TFAA participation.
- Applicants must have an overall grade point average of 3.0 or higher on a 4.0 scale.

Please Support the TFAA Scholarship Program!

We would like to make the TFAA scholarship program grow and provide larger and additional scholarships through our sustaining fund. Please consider donating today.

All funds are kept separate from TFAA working funds and 100% of your contribution will go towards youth scholarships

Note from the Chairman of the Scholarship Committee:

TFAA Scholarship Fund News

On July 14, 2026, Texas Field Archery Association lost our friend Steve Goode in an airplane accident. I met Steve, first as an archer, and got to know him better when he served as the TFAA District 7 Field Governor and for three years on the TFAA Scholarship Committee. He was a was good man.

At his Celebration of Life, the family requested donations to the TFAA Scholarship Fund. More than $5,000 was donated. In addition, recently Steve's wife DeAnna, and sons Samuel, Matthew and Jonathan have said they wish to fund an additional $2, 500 TFAA Scholarship each year in the future.

Commencing 2018, TFAA has awarded scholarships to deserving young men and women who have demonstrated academic, community and archery success**. Each year TFAA awards one scholarship to a high school senior in the amount of $5,000. The winners are announced each year at the TFAA State Indoor Championships. TFAA will continue to award that scholarship, and in honor of Steve Goode, a second scholarship in the amount of $2,500 will be awarded. TFAA hereby again says thank you to Steve Goode's family.**

One of my favorite Bible verses is **Romans 8:28: And we know that is all things God works for the good of those who love him.** Although it is hard to understand why Steve was called home to heaven at this time some good has come to TFAA by this sad turn of events.

Donations can be made here: link here for Zelle or mailed to Anna Hanson, TFAA Secretary/Treasurer, 722 Cannon Ball Dr., Spring, TX 77380.

Please direct any questions concerning the TFAA Scholarship Fund, to myself by email 24sbergh@gmail.com or by text 714-788-8826. Thank you for prayerfully considering to support the TFAA Scholarship Fund.

Note from District 6

Indoor Season Is Here

The leaves are turning, the temperature is dropping, and that means one thing: indoor season is back. District 6 is ready to compete.

If you've been waiting for a reason to get back on the line, this is it. Whether you're a seasoned competitor sharpening up for the year or someone who's been thinking about trying a league for the first time, there's a spot for you. We kicked off the season at Archery HQ & Mission Ridge.

November brings even more opportunities to compete. Double G, Leading Edge, Nocked & Loaded, Archer's Haven and Outhouse will keep us busy this month.

We're also excited to welcome a new shop to the District 6 family: Arrowheads Bow Shop. Cody Wells will be hosting Feb 5,6 and we look forward to supporting him.

Come out, bring a friend, and stop by these shops to say hello.
See you on the line.

.

Note from the Bowhunter Director:

TFAA is sponsoring the Big Buck Contest again this year. Please follow the instructions to register your harvest. **Participation was low last year, and unless more members take part this year, we could lose the competition.** This contest isn't just about who gets the biggest buck, it's about celebrating the season and sharing the joy and excitement of your harvest with fellow members.

After taking your shot, watch the deer's reaction and note the direction it travels. Take a mental picture of the last place you saw it. Once you've safely climbed down from your tree stand, go to the spot where the deer was shot and carefully look for your arrow. It may provide valuable clues about where the deer was hit and help you plan your next steps.

- Lung shot the arrow will be soaked with pinliskish-red blood. Also have air bubbles within the blood.
- Liver shot will be like that of a lung-shot deer, but the whitetail will likely slow to a walk after running a short distance. This deer may travel 200 yards before bedding down.
- Gut shot deer will typically run a few yards, arch their backs. Tightly tuck its tail and walk or slowly trot away. If there is an opportunity for another shot from where you're sitting take it. If the deer beds down within sight but out of range, wait as long as possible before moving.
- Spine shot will be obvious. The whitetail will drop in its tracks, but it usually requires a follow-up shot.

Remember to decide your safety plan: who you'll text/check-in with, and when.

I'm looking forward to seeing your photos and hearing the stories behind your harvest.

Jerry Beavin

BOWHUNTING DIRECTOR

ATTENTION Parents OF YOUTH ARCHERS

Please note that NFAA/TFAA rules state that an archer moves up to a higher age division on their birthday. This means that if your child has a birthday between now and the start of our State Championship Tournament, they must compete in the higher age division for the remainder of the SYWAT season and in the state tournament. In anticipation of this, you are allowed to move your child up in age division during or at the start of the SYWAT season. Once an archer moves up in age division, they must remain in that division. Please direct any questions to your Field Governor or email info@texasfieldarchery.org
