Texas Field Archery News

April 2026

From the President

Thanks to everyone who attended the TFAA State Championship at Cinnamon Creek Ranch! We had a record number of archers this year and the competition was fierce! Congratulations to all our winners and to those who shot their personal best at this event. We had ten awesome archers who set new state records and eleven more who established records for the new Modern Bowhunter class. See the list in this edition of the TFAN. We will be back at CCR next year, February 26-28, and hope to see you there.

It's now Field Season! If you have not shot a field tournament, I encourage you to try it. For the 2026 outdoor season, TFAA is adding a new round to our field schedule. This round is a "lite" version of the NFAA field round and is a great option for traditional archers, new field archers, and those who just want a shorter round on a weekend morning. The round will consist of 14 targets, with a maximum distance of 50 yards. These events will be held in conjunction with our regular field SYWAT tournaments. See the TFAA event schedule for dates and results. (Note: Check the Field 50 Season) Cost is \$15 for Adults and \$10 for Youth classes. NFAA/TFAA divisions and styles will apply. The top archer for the season in each division will receive an award (medal), provided they shoot at least three (3) events. No SYWAT Plaques for this format and we will NOT hold a State Tournament for the Field 50 format in 2026. More info and details of the distances shot in this edition of the TFAN.

Our outdoor season will also include a 900 round and a Known 3D tournament. These will be held August 1-2 at Cinnamon Creek Ranch. More details later.

Remember.... There is no off season! See you on the field course!

Attention Parents of Youth Archers

Please note that NFAA/TFAA rules state that an archer moves up to a higher age division on their birthday. This means that if your child has a birthday between now and the start of our State Championship Tournament, they must compete in the higher age division for the remainder of the SYWAT season and in the state tournament. In anticipation of this, you are allowed to move your child up in age division during or at the start of the SYWAT season. Once an archer moves up in age division, they must remain in that division. Please direct any questions to your Field Governor or email info@texasfieldarchery.org.

NFAA/TFAA Age Divisions

Division	Age Range	Indoor Distance	Outdoor Max Distance
Cub	8 - 11	10 Yards	30 Yards
Youth	12 - 14	20 Yards	50 Yards
Young Adult	15 - 17	20 Yards	Adult Distances

From District 5

Field Season has begun with seven SYWAT tournaments scheduled in District 5 at Cowtown and Irving Bowhunters Association. The dates are on the TFAA website. Field archery is my favorite. As a kid, walking through the woods, there wasn't much to shoot at; but in Field Archery, they put out targets for us to shoot at. What could be better than that?

SYWAT tournaments are fun and good preparation for the TFAA State Field Championship to be held the weekend of June 27 at Buffalo Field Archery. Also, it would be great to see TFAA archers at NFAA Sectionals in McComb, Mississippi, and at NFAA Fields Nationals in Yankton, South Dakota.

If you have not participated before, please come and join us. A SYWAT Field round requires archers to shoot 112 arrows at four different size targets depending on the distance, which goes from 20 feet to 80 yards. Cubs (ages 8-11) and Youth shoot from closer distances.

For the next two years, TFAA is experimenting with the Field 50. Unlike the regular field round, the Field 50 round has 14 targets, 4 arrows per target for a total of 56 arrows, with the distance limited to 50 yards. We are hopeful archers will try Field 50, as an introduction to Field Archery. More details are below and on the TFAA website.

SYWAT Tournaments are friendly and can offer stiff competition for more advanced archers preparing for the TFAA State Field Championship, NFAA Sectionals and NFAA Field Nationals. Check out the entire SYWAT schedule and other details on [Texasfieldarchery.org](https://texasfieldarchery.org).

The 2026 TFAA Scholarship Winner

Congratulations to Drew Parker, the winner of the TFAA Scholarship as announced at the TFAA State Indoor Championships. The TFAA has awarded scholarships to deserving young men and women who have demonstrated academic, community and archery success since 2018. Each year, the TFAA awards one scholarship to a high school senior in the amount of \$5,000.

This year the Scholarship Committee, Joe Treadway (TFAA Vice President and Field Governor), Jim Gresham (TFAA Hall of Fame Member), and Steve Bergh (Field Governor), evaluated eleven applications for the scholarship. All eleven applicants had very good GPAs, and strong academic records. In addition, all eleven applicants had a passion for archery. The applicants had noteworthy ambitions including college or university for nursing school, court reporter, robotics, art school and animation, mechanical and aerospace engineering, radiology, physics and pre-medicine. In short, there are a lot of very intelligent, career oriented young men and women in TFAA. The applicants included some very talented archers, including one male, and one female that have competed as members of the United States Archery Team.

The applicants were evaluated based on academics, TFAA and NFAA events, school activities, community service and other activities (ex. Church, 4H) and their essay. In the final analysis, the Scholarship Committee made the unanimous decision to award the 2026 TFAA Scholarship to Drew Parker.

Going forward our goal is to increase the TFAA Scholarship fund so that in the future we may award a larger amount to the winner, and possibly award multiple seniors. To further these goals TFAA is asking for donations to the TFAA Scholarship Fund.

Donations can be made here: <https://app.autobooks.co/pay/texas-field-archery-assoc>, or mailed to Betty Johnson, TFAA Secretary/Treasurer, 1823 Yosemite Way, Longview, TX, 75605. Please direct any questions concerning the TFAA Scholarship Fund, to myself, Steve Bergh, Scholarship Committee, by email slbkmb@aol.com, or by text (714) 788-8826. Thank you for considering support for the TFAA Scholarship Fund.

JUNE 27—28, 20256

Note: The State Outdoor Championship is its own tournament. Shooting in SYWAT or Field 50 tournaments is not required to participate in the State Outdoor Championship.

Introducing Field 50

For the 2026 Outdoor Season, TFAA is adding a new round to our field schedule. This round is a "lite" version of the NFAA field round and is a great option for Traditional Archers, New Field Archers, and those who just want a shorter round on a weekend morning. The round will consist of 14 targets, with a maximum distance of 50 yards. These events will be held in conjunction with our regular field shoots. See the TFAA event schedule for dates and results. (Note: Check the Field 50 Season)

Cost: \$15 for Adults, \$10 for ages 17 and under.

Format: 14 Field Faces in various sizes. Each range will have a different order of targets, but all ranges will have the following stations. Four arrows at each target for a total of 56 arrows.

Station	Shots	Target Size
1	4 @ 40 yards	50 cm
2	4 @ 50 yards	65 cm
3	Walk-Up 45, 40, 35, 30 yards	50 cm
4	4 @ 45 yards	65 cm
5	4 @ 20 yards	35 cm
6	4 @ 30 yards	35 cm
7	Walk-Up , 35, 30, 25, 20 FEET	20 cm
8	4 @ 50 yards	65 cm
9	4 @ 15 yards	35 cm
10	4 @ 45 yards	50 cm
11	4 @ 50 yards	50 cm
12	4 @ 25 yards	35 cm
13	4 @ 40 yards	65 cm
14	4 @ 35 yards (Fan)	50 cm

Cubs will shoot Cub stakes.... 30 yard max.

NFAA/TFAA divisions and styles will apply. The top shooter for the season in each division will receive an award (medal), provided they shoot at least three (3) events. No SYWAT Plaques for this format and we will NOT hold a State Tournament for the Field 50 format in 2026.

ABOUT SHOOT YOUR WAY ACROSS TEXAS (SYWAT) OUTDOOR

This is a state wide "league" held primarily during the spring (April - June). Tournaments are hosted by various clubs around the state. Any archer can compete in the events but you must be a NFAA/TFAA Member to compete for the SYWAT Aggregate/Tour Champion award. N.F.A.A. divisions and shooting styles will be in effect. See shooting style rules [HERE](#).

Costs Per Round:

\$25 - Adult Categories

\$20 - Cub/Youth/Young Adult

\$70 - Max. Per Family

The Outdoor SYWAT format is the standard NFAA Field/Hunter rounds. Archer's shoot 28 stations, usually 14 field and 14 hunter targets. Four arrows per station for a total of 112 arrows. Scoring is 5-4-3. Xs are not scored except at state and national level tournaments and for PROS. Targets range from 20 feet to 80 yards. The average shot distance is 40 yards. There are four different target sizes used at the various distances. Target Sizes and Distances [HERE](#). For the full NFAA Field Rules, [CLICK HERE](#).

SYWAT OUTDOOR - AGGREGATE/HIGH SCORE AWARD

Awarded to the shooter with the top total score of:

Best 3 scores from SYWAT Field events

Both days of the State Field Championship

Shoot as many SYWAT events as you wish, only your top scores will be used. If you shoot two times at a weekly event, only the top score from that event is used.

The first day of the Southern Sectional Outdoor can count as one score (Only the first day due to 2nd day being mixed with an Animal round).

You can only win for one division and style. The Aggregate/High Score Award will be presented at the awards ceremony during the TFAA State Outdoor Championship.

SYWAT OUTDOOR - INDIVIDUAL AWARDS

We award archers an individual plaque for their shooting achievements based on the following:

Each individual SYWAT event is it's own tournament.

Winners for 1st, 2nd and 3rd place will be recorded for individual award purposes.

You must place in the top three in at least three events in order to receive a plaque.

The last weekend before the State Tournament is not included in order to get awards ready in time for the tournament.

Individual awards will be created and made available for pick-up at the TFAA State Field Championship. The individual award is a single award listing the location and place for each individual event, where the individual actually placed.
