

2006 Inductee
Mary Nowell

John and Mary opened Trophy Archery in 1966 in his garage. Shortly afterwards they opened their shop on Wichita St, Seminary Drive. John and Mary stayed there for about ten years, then they moved to East Berry Street where they had more than doubled the space they had on Wichita. They had a large sales room for bow and arrows and accessories, and room left over to start up a black powder area, and a very large shooting range with about twenty lanes. In 1989, John and Mary moved to Old Granbury Road and Interstate 20. They stayed there until 1995 and because of medical reasons they shut Trophy Archery down in 1995.
