

**OUTDOOR SYWAT SEASON
STARTS APRIL 6!**

From the President

Another State Indoors is in the books. Amazing turnout again this year and for a change, it was great weather.

Both the Cub range and the 20-yard range were in perfect condition, as always. There were some great scores shot with 25 new State Records set.

A special thanks to Cinnamon Creek and all their workers for being such gracious hosts. Also, thanks to all of the TFAA staff & volunteers who put in so much work behind the scenes to make a shoot this size run so smoothly.

Outdoor SYWATs are starting in April. Check the TFAA web site for the full schedule.

Promoting TFAA,
Jay Lindsey

Note: The State Outdoor Championship is its own tournament. Shooting in SYWAT tournaments is not required to participate in the State Outdoor Championship.

About SYWAT Outdoor

The Outdoor *Shoot Your Way Across Texas* – or SYWAT – is a Field archery tournament series held at various locations around the state.

A Field archery round consists of shooting 4 arrows at 28 targets for a total of 112 arrows. The maximum score is 560 points.

The TFAA field round consists of 14 Field target faces and 14 Hunter target faces **or** 28 Field target faces **or** 28 Hunter target faces. Field target faces are black and white with a black center; Hunter target faces are all black with thin white rings and a white center. Target face size varies depending on the distance of each target. Scoring rings on the target face are X (5 points), 5, 4 and 3.

There are signs at each target that indicate distance and shooting position for each age class. Shooting positions may include all four arrows from one position, a series of four walk-up positions, or a fan layout of four positions.

Each shoot at each shop/club on a given weekend is its own tournament. Line times vary, and are frequently shotgun start, so be sure to check the host location's web site to confirm. Archers can shoot in one or more lines at the same location on the same weekend; only the highest score for that tournament will count.

Archers' three highest scores from tournaments throughout the season are posted on the TFAA web site. The shooter from each Division/Style with the top score from their three SYWAT shoots plus **both** State Championship scores wins a Shooter of the Year award.

TFAA Membership

TFAA Membership is not required to shoot in SYWAT tournaments, but is required to be eligible for awards at the TFAA Outdoor State Championship.

Sign-up for membership is available via the NFAA Web site at www.nfaausa.com
