From the President

We had our largest Indoor State Tournament *ever* in March, with thirteen new state records set. A big ***Thank You*** to the army of volunteers that helped make a shoot this size run so smoothly. Also, *thank you* to Cinnamon Creek Ranch for hosting the tournament and to their many assistants.

We had almost six hundred archers earn a SYWAT plaque this year. If you didn't pick up your plaque at the state tournament, contact your district Field Governor to make arrangements to get it.

Rendyn Brooks was the winner of the \$5,000.00 TFAA scholarship this year. Thank you to the eight candidates who applied for the scholarship this year.

Congratulations to Bubba Bateman, winner of the David Hughes Memorial bare bow contest this year. This is awarded to the person that shoots the highest bare bow score at state. Also, thanks go out to Cheyenne McBride, Tom Ramsbacher, and Rick Stonebraker for sponsoring the contest this year.

The weather is getting nice, and we are now into our Outdoor Field season. Field is the favorite archery element of many. If you have never tried it, find an outdoor SYWAT tournament near you and check it out. The Outdoor State Tournament this year will be hosted by Irving Bowhunters Association, IBA, the last weekend of June.

THOUGHTS AND PRAYERS...

Please keep these TFAA members in your thoughts and prayers:

Ande Rushing, recovering from knee surgery

Dave Barnsdale & family, in the loss of his wife Sharon

Clyde Miller, medical issues

Dean Vinson's wife, COPD

Dee Gregory, cancer

Dennis Balusek, multiple medical issues and more surgeries

If you know of other members with medical issues, please let us know so we can add them to this list.

Attention Parents of Youth Shooters

Please note NFAA/TFAA rules state that an archer moves up to a higher age division on their birthday. This means that if your child will have a birthday between now and the start of our State Championship, they must shoot in the higher age division for the remainder of the SYWAT season and in the state shoot. In anticipation of this, you are allowed to move your child up in age division during or at the start of the SYWAT season. Once a shooter moves up in age division, they must remain in that division. Please see your Field Governor at one of the SYWAT shoots if you have questions or email info@texasfieldarchery.org.

NFAA/TFAA Age Divisions

Division	Age Range	Distance Shot Indoor	Max Distance Outdoor
Cub	8-11	10 Yards	30 Yards
Youth	12-14	20 Yards	50 Yards
Young Adult	15-17	20 Yards	Adult Distances

From District 5

In March, we completed a great TFAA, Shoot Your Way Across Texas ("SWYAT") indoor season with the TFAA Indoor State Championship Tournament. Approximately 450 shooters competed at the tournament held at Cinnamon Creek Ranch, which was the largest National Field Archery Association indoor championship in the country.

Now, we start my favorite time of year, TFAA Field Season. District 5 will host SYWATs at Cowtown and at Irving Bowhunters Association ("IBA") to be followed by the TFAA State Field Championship the weekend of June 28 at Irving Bowhunters Association. Field archery is challenging, a lot of fun, and I hope to see many of you participating in the upcoming Field season. Also, it would be great to see TFAA archers at the NFAA Southern Field Sectionals in Louisiana, and at NFAA Field Nationals in Pennsylvania.

If you have not participated before, please come and join us. Field season competition requires archers to shoot 112 arrows at four different size targets depending on the distance, which goes from 30 feet to 80 yards. Cubs (ages 8-11) and Youth shoot from closer distances. Field SYWATs are fun and are a great introduction for beginner archers. SYWATs are friendly but do offer stiff competition for more advanced shooters preparing for the season ending TFAA State Field Championship in June at IBA. You are invited to check out the entire SYWAT schedule and other details on Texasfieldarchery.org.

Scholarship Committee Report

Commencing 2018, TFAA has awarded scholarships to deserving young men and women who have demonstrated academic, community and archery success. Currently, each year TFAA awards one scholarship to a high school senior in the amount of \$5,000. On March 2, during the TFAA Indoor State Championship Tournament, we announced the winner for this year: Rendyn Brooks. The Scholarship Committee received eight applications from some amazing high school seniors which made the decision to select the winner difficult, but based on her academic record, archery achievements, school activities, extraordinary community service, and a good final interview, we selected Rendyn.

TFAA, a non-profit corporation holds approximately \$35,000 in the TFAA Scholarship Fund, but the short-term goal is to increase the fund to \$100,000 and operate as endowment disbursing 5% annually. In the following few years, it is the goal to increase the endowment fund to \$1,000,000 so that scholarships in the cumulative amount of \$50,000 may be awarded to deserving TFAA high school seniors. That will be awesome. To further these goals TFAA is hereby respectfully asking for donations to the TFAA Scholarship Fund.

A great way to support the TFAA Scholarship Fund is by gift from your Will or Trust. Would you consider doing that? Another great way to support the TFAA Scholarship Fund is by running a charity event, such as was done by Alvarado Archery last January; that event raised \$1,700 which was donated to the TFAA Scholarship Fund in honor of Ayden Randle.

Donations, in any amount may be mailed to Betty Johnson, TFAA Secretary/Treasurer, 1823 Yosemite Way, Longview, TX, 75605. Please direct any questions concerning the TFAA Scholarship Fund, to myself, Steve Bergh, Scholarship Committee, by email slbkmb@aol.com, or by text (714) 788-8826. Thank you for prayerfully considering support for the TFAA Scholarship Fund.

TFAA By-Laws Addition

The TFAA Board of Directors met recently and adopted the following to the TFAA By-Laws:

No Dogs at TFAA State Events: With the exception of Service Animals as described herein, No dogs, or other animals are allowed at TFAA State Events.

Service Animals: Service animals are defined as dogs that are individually trained to do work or perform tasks for people with disabilities. Examples of such work or tasks include guiding who are blind, alerting people who are deaf, pulling a wheelchair, or alerting and protecting a person who is having a seizure, reminding a person with mental illness to take prescribed medications, calming a person with Post Traumatic Stress Disorder (PTSD) during an anxiety attack, or performing other duties. Service animals are working animals, not pets. The work or task a dog has been trained to provide must be directly related to the person's disability. Dogs or other service animals whose sole function is to provide comfort or emotional support do not qualify as service animals under the Americans with Disabilities Act (ADA).

Note: Per TFAA Policy, Emotional Support Animals, which differ from Service Animals, do not enjoy the same legal status as service animals per the ADA, and are not allowed on the field of play.

Where Service Animals Are Allowed: Per the ADA, State and local governments, businesses, and nonprofit organizations that serve the public generally must allow service animals to accompany people with disabilities in all areas of the facility where the public is normally allowed to go. At TFAA Archery events, service animals are allowed in the archers' area, which is defined as any place the archer is allowed. Archers needing accommodation outside of these guidelines are to be managed on a case by case basis.

Service Animals Must Be Under Control: Per the ADA, service animals must be harnessed, leashed, or tethered, unless these devices interfere with the service animal's work or the individual's disability prevents using these devices. In that case, the individual must maintain control of the animal through voice, signal, or other effective controls.

Service animals should always demonstrate the following behaviors:

- Be focused on their handler
- Have a stable, even temperament
- Remain quietly by their handler's side
- Ignore distractions
- Present professional
- Keep their nose to themselves
- Respond promptly to handler's cues and directions

Inquiries, Exclusions, Charges and Other Specific Rules Related to Service Animals: When it is not obvious what service an animal provides, only limited inquiries are allowed. Staff may ask two questions: (1) is the dog a service animal required because of a disability, and (2) what work, or task has the dog been trained to perform. Staff cannot ask about the person's disability, require medical documentation, require a special identification card or training documentation for the dog, or ask that the dog demonstrate its ability to perform the work or task.

Note: This policy is based on the USA Archery policy updated December 2023.

Note: The State Outdoor Championship is its own tournament. Shooting in SYWAT

tournaments is not required to participate in the State Outdoor Championship.

About SYWAT Outdoor

The Outdoor *Shoot Your Way Across Texas* – or SYWAT – is a Field archery tournament series held at various locations around the state.

A Field archery round consists of shooting 4 arrows at 28 targets for a total of 112 arrows. The maximum score is 560 points.

The TFAA field round consists of 14 Field target faces and 14 Hunter target faces **or** 28 Field target faces **or** 28 Hunter target faces. Field target faces are black and white with a black center; Hunter target faces are all black with thin white rings and a white center. Target face size varies depending on the distance of each target. Scoring rings on the target face are X (5 points), 5, 4 and 3.

There are signs at each target that indicate distance and shooting position for each age class. Shooting positions may include all four arrows from one position, a series of four walk-up positions, or a fan layout of four positions.

Each shoot at each shop/club on a given weekend is its own tournament. Line times vary, and are frequently shotgun start, so be sure to check the host location's web site to confirm. Archers can shoot in one or more lines at the same location on the same weekend; only the highest score for that tournament will count.

Archers' three highest scores from tournaments throughout the season are posted on the TFAA web site. The shooter from each Division/Style with the top score from their three SYWAT shoots plus **both** State Championship scores wins a Shooter of the Year award.

TFAA Membership

TFAA Membership is not required to shoot in SYWAT tournaments, but is required to be eligible for awards at the TFAA Outdoor State Championship.

Sign-up for membership is available via the NFAA Web site at www.nfaausa.com
