Texas Field Archery News February 2025

**See Inside for 2025
Indoor State Championship info!**

From the President

I want to offer condolences to Paula Dangler and the family of Ed Dangler. Ed passed away in January. Paula and Ed were long time, active members of TFAA. Paula was Field Governor of District 6 and a past President of TFAA.

We had a full schedule of SYWAT shoots in January and record attendance for the NFAA Indoor Sectional shoots at several locations across Texas. Some great scores were recorded.

This is our last month before Indoor State, February 28 thru March 2. Registration for State opened January 27th on the TFAA web site. You must be a member of NFAA/TFAA to compete at the state tournament.

TFAA has a block of rooms at the Hilton Garden Inn, at a very reduced rate. The Hilton is less than a mile from Cinnamon Creek Ranch, location of the State Shoot.

The name of the room block is TFAA2025. There is a booking link [HERE](#) and on the TFAA web site. These prices are guaranteed thru February 14th so book now. If you book a room after the 14th, this price is based on room availability.

Best of luck to everyone that will be competing in Chicago at the NFAA Nationals. The TFAA is always well represented at Nationals.

We have a lot of SYWAT shoots scheduled in February so you will have several opportunities to improve your best 3 scores.

Supporting TFAA,

Jay Lindsey

From District 5

TFAA, Shoot Your Way Across Texas ("SYWAT") indoor season has been great so far. In addition to hundreds of archers participating in NFAA Southern Sectionals throughout Texas, 1,095 scores have been posted this SYWAT season. In the following weeks there will be SYWATs at Fort Grard, APOS Ranch, Cinnamon Creek Ranch and Alvarado Archery. In addition, TFAA shooters will compete in NFAA Indoor Nationals in Chicago.

Archers aged 17 and under will receive a special pin for their first 300 score. Be sure to ask for your pin when you shoot your first 300.

If you have not participated before, please come, and join us. Indoor season competition requires archers to shoot 60 arrows at a 40 cm target. Cubs (ages 8-11) shoot from 10-yards, and all others shoot from 20-yards. Indoor SYWATS are fun and are a great introduction for beginner archers. SYWATS are friendly but do offer stiff competition for more advanced shooters preparing for the season ending TFAA State Indoor Championship held at the end of February at Cinnamon Creek Ranch. You are invited to check out the entire SYWAT schedule and other details on Texasfieldarchery.org.

Tournament Director Report

Thanks to everyone that attended the Sectional Indoor Shoot. The NFAA Board will be meeting this year and Sectionals will be discussed, so please give me or Jay your thoughts on how the shoot is now being run since Headquarters began running it. For example, registration, scoring, and awards OR any other things you would like for us to bring up.

Now we're getting ready for our State Indoor Championship which will be a big one! Please sign up early. We are expecting a huge turnout this year and a full house! If you are interested in volunteering to be a Line Judges for the shoot, send an email with your contact information and which lines you would be available for to info@texasfieldarchery.org. Please sign up to help. We need you!

Give your Field Governors a pat on the back for all the time they have put into the indoor season. Some have had a shoot every weekend since October.

I guess some of you had noticed that Puerto Rico has been placed in the NFAA Southern Sectionals. They wanted to join the NFAA, so they were placed in our Southern Section until the Directors vote at the next Council meeting on their permanent placement.

I hope everyone has a safe and enjoyable time the rest of the season.
Looking forward to seeing you all at state!

Lee Gregory

From District 6

Attention Parents of Youth Shooters

Please note NFAA/TFAA rules state that an archer moves up to a higher age division on their birthday. This means that if your child will have a birthday between now and the start of our State Championship, they must shoot in the higher age division for the remainder of the SYWAT season and in the state shoot. In anticipation of this, you are allowed to move your child up in age division during or at the start of the SYWAT season. Once a shooter moves up in age division, they must remain in that division. Please see your Field Governor at one of the SYWAT shoots if you have questions or email info@texasfieldarchery.org.

NFAA/TFAA Age Divisions

Division	Age Range	Distance Shot Indoor	Max Distance Outdoor
Cub	8-11	10 Yards	30 Yards
Youth	12-14	20 Yards	50 Yards
Young Adult	15-17	20 Yards	Adult Distances

Request for Donations to the TFAA Scholarship Fund

Thank You, to Alvarado Archery and Tony Romaguera for having the Texas 330 Lancaster Warm up tournament the weekend of January 11. The event raised \$1,700 which was donated to the TFAA Scholarship Fund in honor of Ayden Randle. Thank you to everyone that participated and contributed!!

Commencing 2018, TFAA has awarded scholarships to deserving young men and women who have demonstrated academic, community and athletic success. Currently, each year TFAA awards one scholarship to a high school senior in the amount of \$5,000. TFAA holds approximately \$32,000 in the TFAA Scholarship Fund, but the short-term goal is to increase the fund to \$100,000 and operate as endowment disbursing 5% annually. In the following few years, it is the goal to increase the endowment fund to \$1,000,000 so that scholarships in the cumulative amount of \$50,000 may be awarded to deserving TFAA high school seniors. That will be awesome. To further these goals TFAA is hereby respectfully asking for donations to the TFAA Scholarship Fund.

Donations, in any amount may be mailed to Betty Johnson, TFAA Secretary/Treasurer, 1823 Yosemite Way, Longview, TX, 75605. Please direct any questions concerning the TFAA Scholarship Fund, to myself, Steve Bergh, Scholarship Committee, by email slbkmb@aol.com, or by text (714) 788-8826. Thank you for considering support for the TFAA Scholarship Fund.

TFAA By-Laws Addition

The TFAA Board of Directors met recently and adopted the following to the TFAA By-Laws:

No Dogs at TFAA State Events: With the exception of Service Animals as described herein, No dogs, or other animals are allowed at TFAA State Events.

Service Animals: Service animals are defined as dogs that are individually trained to do work or perform tasks for people with disabilities. Examples of such work or tasks include guiding who are blind, alerting people who are deaf, pulling a wheelchair, or alerting and protecting a person who is having a seizure, reminding a person with mental illness to take prescribed medications, calming a person with Post Traumatic Stress Disorder (PTSD) during an anxiety attack, or performing other duties. Service animals are working animals, not pets. The work or task a dog has been trained to provide must be directly related to the person's disability. Dogs or other service animals whose sole function is to provide comfort or emotional support do not qualify as service animals under the Americans with Disabilities Act (ADA).

Note: Per TFAA Policy, Emotional Support Animals, which differ from Service Animals, do not enjoy the same legal status as service animals per the ADA, and are not allowed on the field of play.

Where Service Animals Are Allowed: Per the ADA, State and local governments, businesses, and nonprofit organizations that serve the public generally must allow service animals to accompany people with disabilities in all areas of the facility where the public is normally allowed to go. At TFAA Archery events, service animals are allowed in the archers' area, which is defined as any place the archer is allowed. Archers needing accommodation outside of these guidelines are to be managed on a case by case basis.

Service Animals Must Be Under Control: Per the ADA, service animals must be harnessed, leashed, or tethered, unless these devices interfere with the service animal's work or the individual's disability prevents using these devices. In that case, the individual must maintain control of the animal through voice, signal, or other effective controls.

Service animals should always demonstrate the following behaviors:

- Be focused on their handler
- Have a stable, even temperament
- Remain quietly by their handler's side
- Ignore distractions
- Present professional
- Keep their nose to themselves
- Respond promptly to handler's cues and directions

Inquiries, Exclusions, Charges and Other Specific Rules Related to Service Animals: When it is not obvious what service an animal provides, only limited inquiries are allowed. Staff may ask two questions: (1) is the dog a service animal required because of a disability, and (2) what work, or task has the dog been trained to perform. Staff cannot ask about the person's disability, require medical documentation, require a special identification card or training documentation for the dog, or ask that the dog demonstrate its ability to perform the work or task.

Note: This policy is based on the USA Archery policy updated December 2023.

ABOUT SYWAT INDOOR

This is a statewide "league" held primarily during the winter (November - February). Tournaments are hosted by various shops or clubs around the state. Any archer can compete in the events, but you must be a NFAA/TFAA Member to compete for the SYWAT Aggregate/Tour Champion award. N.F.A.A. divisions and shooting styles will be in effect. For the current shooting styles, [CLICK HERE](#).

Costs Per Round:

- \$25 - Adult Categories
- \$20 - Cub/Youth/Young Adult
- \$70 - Max. Per Family

The indoor SYWAT format is the NFAA standard "300 Round," shot at 10 yards for cubs and 20 yards for all other age classes. Archers shoot 12 ends of 5 arrows each for a total of 60 arrows.

Targets are rotated between top and bottom after the 6th end.

Targets are the archer's choice of the NFAA 40 cm (blue) single spot, or the NFAA 5 spot.

Scoring on the 40 cm target is 5-4-3-2-1. Xs score 5 and are counted as a tiebreaker.

The 5-spot target is scored 5-4. Xs score as 5 and are counted as a tiebreaker.

SYWAT INDOOR - AGGREGATE/ HIGHEST SCORE AWARD

This goes to the top scoring shooter in their respective division and style for the SYWAT Indoor Season. Three SYWAT shoots and the State Tournament are required to be eligible for the SYWAT Tour/Aggregate Award. Your top three SYWAT scores plus your total TFAA State Indoor Championship score will be added together to determine the SYWAT Aggregate/Highest Score Award for each division and style. You can only win for one division and style. The Aggregate/Highest Score Award award will be presented at the awards ceremony during the TFAA State Indoor Championship.

SYWAT INDOOR - INDIVIDUAL AWARDS

Each individual SYWAT event is its own tournament. Winners for 1st, 2nd and 3rd place will be recorded for individual award purposes. Individual awards will be created and made available for pick-up at the TFAA State Indoor Championship. The individual award is a single award listing the location and place for each individual event, where the individual placed. You must place first, second, or third in three (3) or more separate events to receive a plaque. The last weekend before the State Tournament is not included in order to get awards ready in time for the tournament.

A Note About Line Etiquette

It's great to see the growth and influx of new archers. Many are shooting competitions for the first time. Shops and coaches are doing a great job of teaching archery, but let's not forget line etiquette. This will make the competition experience a lot better for the new shooters, other archers on the line, and officials running the shoot.

1. Be ready when your line is called, then walk, don't run, to the shooting line.
2. Be careful not to bump the shooters in front or behind you while approaching/leaving the line, or while shooting.
3. Never talk to another shooter, or to yourself while on the shooting line.
4. Never talk to anyone behind the line while you are on the shooting line.
5. If the shooter on either side of you is going to full draw, or at full draw, wait quietly in place until they have shot before leaving the line.
6. Leave the line quietly.
7. After leaving the line, move away from the shooting line, rack your bow and wait far enough behind the shooting line so you won't disturb those still shooting.
8. If a shooter near you is the last person still shooting, quietly remain on the line with them for support. This is a polite and appreciated gesture.

Note: The State Outdoor Championship is its own tournament. Shooting in SYWAT tournaments is not required to participate in the State Outdoor Championship.

About SYWAT Outdoor

The Outdoor *Shoot Your Way Across Texas* – or SYWAT – is a Field archery tournament series held at various locations around the state.

A Field archery round consists of shooting 4 arrows at 28 targets for a total of 112 arrows. The maximum score is 560 points.

The TFAA field round consists of 14 Field target faces and 14 Hunter target faces **or** 28 Field target faces **or** 28 Hunter target faces. Field target faces are black and white with a black center; Hunter target faces are all black with thin white rings and a white center. Target face size varies depending on the distance of each target. Scoring rings on the target face are X (5 points), 5, 4 and 3.

There are signs at each target that indicate distance and shooting position for each age class. Shooting positions may include all four arrows from one position, a series of four walk-up positions, or a fan layout of four positions.

Each shoot at each shop/club on a given weekend is its own tournament. Line times vary, and are frequently shotgun start, so be sure to check the host location's web site to confirm. Archers can shoot in one or more lines at the same location on the same weekend; only the highest score for that tournament will count.

Archers' three highest scores from tournaments throughout the season are posted on the TFAA web site. The shooter from each Division/Style with the top score from their three SYWAT shoots plus **both** State Championship scores wins a Shooter of the Year award.

TFAA Membership is not required to shoot in SYWAT tournaments, but is required to be eligible for awards at the TFAA Outdoor State Championship.
