Texas Field Archery News

June 2024

From the President

In spite of record rain and bad weather this year across Texas, we have had some great field shoots so far this season. There are still several shoots on the calendar before State.

NFAA Outdoor Southern Sectionals is being held in Texas this year at Irving Bowhunters Association (IBA), June 8-9. Texas won't get to host Sectionals again until 2028, so I hope we have a good representation this year. Please remember - **ALL** Registration for Sectionals **Must be ONLINE** through NFAA.

There is a registration link [here](#) and on the TFAA web site.

State Outdoors will be at Archers Haven in Canyon Lake, June 29-30. See the Registration Link for State on the TFAA web site. We had a very good State shoot last year at Archers Haven, with the largest number of shooters we have had in several years.

Thanks to everyone that participated in the nomination process for TFAA officers. Being a board member is a full-time job with an organization the size of TFAA. The current board has worked together very well to improve TFAA, to grow the organization and the sport of archery. I'm very proud of this board, and truly appreciate them.

I look forward to seeing everyone at Sectionals and State next month.

Promoting TFAA,

Jay Lindsey

2024 Board Election Update

Thank you for submitting nominations for the Board positions up for re-election.

Per TFAA By-Laws, the Secretary/Treasurer, Tournament Director, Editor, and Webmaster positions will be selected by the Board.

None of the Field Governor positions up for re-election received nominations for more than one person, therefore voting for these positions by district members will not be needed this year.

New and re-elected board members will be announced in July.

THOUGHTS AND PRAYERS...

Please keep these TFAA members in your thoughts and prayers:

Jerry Beavin, loss of his mother

Lee Gregory, recovering from knee replacement surgery

Dean Vinson's wife, COPD

Eddie McQuary, heart issues

Ed Dangler, Leukemia

If you know of other members that have medical issues, please let us know so we can add them to this list.

James Harrison, long time member of TFAA passed away May 26th. He was a very active member of TFAA competing in Outdoor, Indoor, 3D tournaments and leagues.

We will all miss him.

Know before you go!

Electronic Scoring information for NFAA Southern Outdoor Sectionals

IMPORTANT SCORING REMINDERS!

Please keep a running total of your scores, and add up the Xs or 21s at the bottom of your scorecard. X = standard X; 5; 4; 3; M = Miss/O.

Sample scoring ends:

	1	2	3	4	Sum	Total	X	21
1	X	5	4	4	18	18	1	-
2	X	X	5	5	20	38	2	-
3	5	5	3	M	13	51	-	-
4	X	X	X	5	20	71	3	-

Each group will score x2 paper scorecards. One person per group will enter scores on the scoring app. Each group can choose when to do their online scoring, during or after their round. Both scorekeepers and the archer should sign both copies of the paper scorecards to verify that they match and are correct. Take a picture of your scorecard before turning it in to the tournament host!

About SYWAT Outdoor

The Outdoor *Shoot Your Way Across Texas* – or SYWAT – is a Field archery tournament series held at various locations around the state.

A Field archery round consists of shooting 4 arrows at 28 targets for a total of 112 arrows. The maximum score is 560 points.

The TFAA field round consists of 14 Field target faces and 14 Hunter target faces **or** 28 Field target faces **or** 28 Hunter target faces. Field target faces are black and white with a black center; Hunter target faces are all black with thin white rings and a white center. Target face size varies depending on the distance of each target. Scoring rings on the target face are X (5 points), 5, 4 and 3.

There are signs at each target that indicate distance and shooting position for each age class. Shooting positions may include all four arrows from one position, a series of four walk-up positions, or a fan layout of four positions.

Each shoot at each shop/club on a given weekend is its own tournament. Line times vary, and are frequently shotgun start, so be sure to check the host location's web site to confirm. Archers can shoot in one or more lines at the same location on the same weekend; only the highest score for that tournament will count.

Archers' three highest scores from tournaments throughout the season are posted on the TFAA web site. The shooter from each Division/Style with the top score from their three SYWAT shoots plus **both** State Championship scores wins a Shooter of the Year award.

TFAA Membership

TFAA Membership is not required to shoot in SYWAT tournaments, but is required to be eligible for awards at the TFAA Outdoor State Championship.

Sign-up for membership is available via the NFAA Web site at www.nfaausa.com
