About SYWAT Indoor

Shoot Your Way Across Texas – or SYWAT – is a tournament series hosted by various shops or clubs around the state. Archers 12 and older shoot 12 ends of 5 arrows each (60 arrows total) at either a single spot or five-spot NFAA target from 20 yards. Archers 11 and under shoot from 10 yards. Xs in the center of each spot are used for tie-breakers. A perfect score is 300 with 60 Xs. NFAA rules, divisions, and styles apply.

Each shoot at each shop/club on a given weekend is its own tournament. Line times are Saturday and Sunday at 10:00 AM and 2:00 PM. Some shops/clubs may also have additional lines. Archers can shoot in one or more lines at the same shop/club on the same weekend; only the highest score for that tournament will count.

Archers' three highest scores from tournaments throughout the season are posted on the TFAA web site. The shooter from each Division/Style with the top score from their three SYWAT shoots plus **both** State Championship scores wins a Shooter of the Year award.

See the TFAA web site for additional information.

A Note About Line Etiquette

It's great to see the growth and influx of new archers. Many are shooting competitions for the first time. Shops and coaches are doing a great job of teaching archery, but let's not forget line etiquette. This will make the competition experience a lot better for the new shooters, other archers on the line, and officials running the shoot.

1. Be ready when your line is called, then walk, don't run, to the shooting line.
2. Be careful not to bump the shooters in front or behind you while approaching/leaving the line, or while shooting.
3. Never talk to another shooter, or to yourself while on the shooting line.
4. Never talk to anyone behind the line while you are on the shooting line.
5. If the shooter on either side of you is going to full draw, or at full draw, wait quietly in place until they have shot before leaving the line.
6. Leave the line quietly.
7. After leaving the line, move away from the shooting line, rack your bow and wait far enough behind the shooting line so you won't disturb those still shooting.
8. If a shooter near you is the last person still shooting, quietly remain on the line with them for support. This is a polite and appreciated gesture.

TFAA NEWS AND UPDATES

The TFAA Board of Directors met recently and enacted several changes effective with the upcoming SYWAT season.

1. Barebow Recurve is now authorized in ALL Age Classes. (Cub --> Master Senior). More info on this to come.

2. The TFAA Shooter of the Year will be based on your best three SYWAT scores plus BOTH days of the State Tournament.

3. Fees for TFAA State Championship Tournaments have unfortunately increased:

- Adult Classes - \$50
- Youth Classes - \$35 (Unchanged)
- Couple Rate - No Longer Available
- Max Family - \$100

Weekly SYWAT Fees remain unchanged: (\$25- Adult Categories; \$20 - Cub/Youth/Young Adult; \$70 Max. Family)

4. Pro Shooters will shoot for a cash payout at the Indoor and Outdoor State Tournaments

(Entry fee for Pros will be \$150. \$100 will go into a pot for the highest total score. ALL Pro age groups will compete for a single payout.)

5. Archer/Spectator Conduct - The Board adopted the following addition to the TFAA By-Laws:

TFAA is committed to holding all tournaments in a safe and professional environment. All archers and spectators are expected to conduct themselves accordingly. If any archer or spectator is rude or abusive to event staff, other archers, or spectators, or are otherwise a distraction to the participants, they are subject to disqualification from the event. If the offending party is the parent of a participant, the child participant may be disqualified. The TFAA Field Governor or other TFAA official in charge of the event may make this determination.

If an individual has two such disqualifications, they will be ineligible for participation in TFAA events for a period of two years.

About SYWAT Outdoor

The Outdoor *Shoot Your Way Across Texas* – or SYWAT – is a Field archery tournament series held at various locations around the state.

A Field archery round consists of shooting 4 arrows at 28 targets for a total of 112 arrows. The maximum score is 560 points.

The TFAA field round consists of 14 Field target faces and 14 Hunter target faces **or** 28 Field target faces **or** 28 Hunter target faces. Field target faces are black and white with a black center; Hunter target faces are all black with thin white rings and a white center. Target face size varies depending on the distance of each target. Scoring rings on the target face are X (5 points), 5, 4 and 3.

There are signs at each target that indicate distance and shooting position for each age class. Shooting positions may include all four arrows from one position, a series of four walk-up positions, or a fan layout of four positions.

Each shoot at each shop/club on a given weekend is its own tournament. Line times vary, and are frequently shotgun start, so be sure to check the host location's web site to confirm. Archers can shoot in one or more lines at the same location on the same weekend; only the highest score for that tournament will count.

Archers' three highest scores from tournaments throughout the season are posted on the TFAA web site. The shooter from each Division/Style with the top score from their three SYWAT shoots plus **both** State Championship scores wins a Shooter of the Year award.
