## *Texas Field Archery News*

May 2024

## **From the President**

We have completed our first month of Outdoor Field SYWAT tournaments and we are having a great outdoor season. There are still a lot of opportunities to shoot field so come on out and enjoy a great day of outdoor archery. Check the full Outdoor schedule in the TFAN or on the TFAA web site.

The State Field Tournament will be June 29-30 at Archers Haven in Canyon Lake. We had a great State shoot there last year and the attendance was great. Online registration for State will open June 3rd on the TFAA web site.

NFAA Southern Outdoor Sectionals is held in Texas every 4 years and this is our year to host!! Southern Sectionals will be hosted by Irving Bowhunters Association, June 8-9. There will be shooters from Texas, Oklahoma, Louisiana, Mississippi and Arkansas. We will be doing Online scoring for the first time at an Outdoor Sectionals. Go to the TFAA web site for the link to register ONLINE. Sectionals registration is open now. Also, there are several hotel options near Irving Bowhunters listed on the TFAA web site.

Come on out and enjoy the beautiful weather, some manicured ranges and enjoy shooting some Outdoor SYWATs.

Promoting TFAA,

Jay Lindsey

## **THOUGHTS AND PRAYERS...**

Please keep these TFAA members in your thoughts and prayers:

Greg Petrosky, loss of his mother

Lee Gregory, recovering from knee replacement surgery

Dean Vinson's wife, COPD

Eddie McQuary, heart issues

Ed Dangler, Leukemia

If you know of other members that have medical issues, please let us know so we can add them to this list.

## About SYWAT Outdoor

The Outdoor *Shoot Your Way Across Texas* – or SYWAT – is a Field archery tournament series held at various locations around the state.

A Field archery round consists of shooting 4 arrows at 28 targets for a total of 112 arrows. The maximum score is 560 points.

The TFAA field round consists of 14 Field target faces and 14 Hunter target faces **or** 28 Field target faces **or** 28 Hunter target faces. Field target faces are black and white with a black center; Hunter target faces are all black with thin white rings and a white center. Target face size varies depending on the distance of each target. Scoring rings on the target face are X (5 points), 5, 4 and 3.

There are signs at each target that indicate distance and shooting position for each age class. Shooting positions may include all four arrows from one position, a series of four walk-up positions, or a fan layout of four positions.

Each shoot at each shop/club on a given weekend is its own tournament. Line times vary, and are frequently shotgun start, so be sure to check the host location's web site to confirm. Archers can shoot in one or more lines at the same location on the same weekend; only the highest score for that tournament will count.

Archers' three highest scores from tournaments throughout the season are posted on the TFAA web site. The shooter from each Division/Style with the top score from their three SYWAT shoots plus **both** State Championship scores wins a Shooter of the Year award.

### ***TFAA Membership***

TFAA Membership is not required to shoot in SYWAT tournaments, but is required to be eligible for awards at the TFAA Outdoor State Championship.

Sign-up for membership is available via the NFAA Web site at [www.nfaausa.com](http://www.nfaausa.com)
